## MITUTOYO Crysta 9-16-8 Automatic CMM

### Technical Specification:

|                    |   |
|--------------------|---|
| Model              | Mitutoyo Crysta 9-16-8  |
| Measuring Range    | 900 x 1600 x 800 mm   |
| Accuracy           | Vol U3 = 3 + 4L / 1000 [ $\mu$ m]                                     |
| Overall Dimensions | L 2690 x W 1670 x H 3130 mm<br>Weight: 2898 Kgs Part Weight: 1500 Kgs |

### Standard Equipment:

|                    |   |
|--------------------|---|
| XYZ Guiding        | Air Bearings on all axis  |
| XYZ Scales         | Resolution .001mm   |
| XYZ Controller     | DCC 3D Vector Motion Control  |
| Operator Hand-box  | Portable Joystick Control   |
| Calibration Sphere | Included  |
| Probe              | Renishaw Automatic Probe Head   |
| PC, Printer & Desk | New Latest Model – 24" Flat Screen  |
| CMM Software       |  |
| Operator Training  | 4 days at Status Facility   |

### Terms & Conditions of supply:

|                                   |  |
|-----------------------------------|--|
| Transport Delivery & Installation | Inclusive Mainland UK (Europe & Ireland POA)                 |
| Calibration                       | Inclusive CMMA certification                                 |
| Warranty                          | 12 months on all new parts<br>6 months on all 2nd User parts |
| Payment Terms                     | 50% deposit 40% delivery 10% install                         |

### Additional Equipment POA:

|              |   |
|--------------|---|
| Calibration  | UKAS Certification                        |
| Maintenance  | Annual Service Contracts                  |
| Probes       | A vast range of options available         |
| CMM Software | CAD compatible options                    |
| Fixturing    | A vast range of modular options available |
